“ I will miss my friend Ada. We met when I joined St Mark AME, we sang in choir "The Other Group" together. I loved to make her laugh and tease her. I would call her "Ada potato " for no other reason than to get a rise out her and duck as she would try to swat me in response. After I left the area we were still in constant contact. I will miss my friend. May God welcome her with open arms. Blessings and Comfort to her family.
