“ Oh I wish I had found this earlier, I met Al when we worked together at East Hills Ford I was 16 he was 20 We were friends from the start He taught me how to drive on his 1966 Chev. Super sport with the wooden steering wheel as we grew up we drifted away but seem to run into each other often His boys went to the same day care as my daughter and we would talk like no time had expired He was just the best . Cheryl you had a good husband and boys you had a great Dad. Al save a cloud close to you so we can talk again Jo Ann xxoo

“ *As with many others, I was surprised and deeply saddened to hear about the unexpected passing of Albert Bowe Jr. Albert, and I were born within 3 months of each other. We basically grew up together. As younger children we would spend weeks at a time at each other's house and at Grandma and Grandpa's house in the summer. When we were able to drive, and I was living on Pitt campus we got together as often as we had a chance and continued hanging out together. He was very personable and easy to be around. He will be truly missed by me and many others. Bradley Law Sr*

“ Albert, I am truly going to miss you my friend. I am fortunate that I have the honor of working side by side with Wes and will get to hear stories of Big AL for the rest of my career. I will miss having lunch with you guys and laughing ,or just the occasional text and visits at work. You always created a warm environment when around anyone and made everyone welcome. You always treated me like A son and I will never forget that. You are deeply adored by former coworkers at Port Authority along with your Family and friends and that light will continue to burn for a long time. Thanks for be a Part of my life Al, it was a pleasure.
Rest In Peace my Friend

“ My heart is very saddened. My sincere condolences. Albert was a true gem, always positive, joyful, and gave hugs that simply warmed the heart. He reminded me of my own dad who we lost almost 25 yrs ago. At times, the pain seems unbearable. My prayers are lifted to all for comfort and strength as you push through the next several days and weeks. We may have only known Albert for a few years, but that's all it takes to adore and love someone. He was loved by many and will be truly missed by us all. Love and hugs to you Cheryl, and to all of Albert's family and friends.
