“ *To the Scott Family,
The Edwards family extends our heartfelt sympathy to all of you during the loss of your mother. Ms. Betty was always a kind and gentle soul. I'll never forget her encouraging words to me when Earl & I decided to raise Trey. During that time we became close and I held her in high esteem with much respect. You will be missed Grandma Betty, but the love for your children & grandchildren will live on forever.*

*To the Scott Family;
Please rest in peace and love! Betty was one of the most gentile, caring, loving, sharing and inspirational person I have been blessed to know. We met years ago as she was raising her children and yet she gave one of her most valuable asset...her time, so unassuming, confidant, so very well know. Upon meeting her for the first time" you felt like you were saying "hello" or "hi" to a friend. You all are alright, she tried to make sure you had the courage, strength, and love to be without her when the time came. God Bless!*
