

Bruce N Harris

July 2, 1952 - February 1, 2026

Bruce Harris was born on July 2, 1952, and peacefully transitioned on February 1, 2026.

A gifted violinist, loving father, and hard worker, Bruce lived a life defined by discipline

and sacrifice. Above all else, Bruce was a devoted and loving father who dedicated his life to

being a provider. Providing for his family mattered deeply to him, and he carried that

responsibility with passion & determination. Though his gift in music once carried him

across the globe, his later years were shaped by the quiet loss of the music that formed him

and the work that gave him purpose. A proud member of Living Waters Ministry in North

Braddock and an attendee of The Lord's Church in Monroeville, his faith and community

remained important anchors in his life. Bruce's life was marked by perseverance, devotion,

and love, and his legacy will continue to live on through his children and the lives he touched.

Family & Legacy

Bruce Harris was born to Nathaniel Harris and Vivian Jones and raised within

a legacy of faith and family. He was preceded in death by his parents, his brother Lance Harris and niece Monique Pressley. He is survived by his five children, Candia Bullock, Donte Harris, Chris (Michaela) Bullock, Aleta (Rodney) Heard and Nathaniel (Tyashia) Bullock, his nine cherished grandchildren, Ni'Jya Bullock, Zi'Ana Scarbourough, Rylie Heard, Roman Heard, Maureena Rhodes, Nathaniel Bullock Jr., Liam Schade, Jaden Schade, and Eli Schade, his nieces and nephews, Maneca Pressley, Alex Harris, Olivia Harris, James Bullock, and Luther Harris, and a host of other family members and friends.

A Blessing Over the Grandchildren:

May they walk in faith, be covered in grace, and always know the depth of the love and legacy entrusted to them.

Education & Career Highlights:

A 1974 graduate of Duquesne University, Bruce Harris was an internationally traveled professional violinist whose award-winning artistry left a lasting legacy. Even beyond the stage, he continued working to support others—most recently as a driver, ensuring elders reached where they needed to go with dignity and care.

“ *I am so sorry to hear of Bruce's death. Bruce and I went to Duquesne together and, as a pianist, I was blessed to be his accompanist. One of my most beautiful memories was playing Brahms with him. I left Pittsburgh after graduation and we never performed together again :-(
I had been looking up college friends and sadly, his name popped up in the recent obits. Even before reading to see if was indeed the Bruce Harris I knew, I looked at his photo and when I saw the twinkle in his eyes, I felt as if the years had simply vanished. Sending love to the family of a wonderful and gifted man. ❤️*
