“ *Chantal I'm soooo sorry friend 😭. I can't believe it's been over a year I haven't talked to you. I just found out about your passing because I was lookin flip your number. I'm going to miss you so much 😭. I'm so upset I couldn't say goodbye to you. I'm going to miss your smile and laugh 😞 Especially our fun times I can write a book about our fun times! I've been in a chokehold since knowing you left me down here. My kids can't believe you're gone either. We love you so much and I'm going to miss you until the day I join you. Chantal enjoy the Heavens and save me a spot. It's never goodbye it's I will see you later 😊*
