“ I grew up on Locust st, across the street from the Brown residence. I always looked up to Curt, as big brother, he being ten years older than me. He always treated me with kindness and was inspirational as a role model in our community. During later years, he always had great conversations on a variety of subjects, sports, politics, or even local issues. We had a wonderful conversation at my mother's wake in August, and I was very pleased that he took the time to come to help us celebrate her life. A gentleman and a respected friend. Gone too soon, May he always rest in Peace. A community legend, Curt Brown Regards, Creighton W. Lee, Sr. and family

Curtiss was the finest of men. I met him 60 years ago when Dave's Walnut inn fastpitch softball team broke up. He walked on to Barry Field in Renzie Park to play for THE LIONHEART INN. I was learning the game we both loved . We became forever friends traveling all over northwestern US and Canada competing against the finest teams and pitchers in country.

As recent as a month ago we sat in the cafeteria in Giant eagle in White Oak enjoying coffee and remembering some very Good times

Rest my friend... You leave behind the legion of friends and family who have loved you.

“ I remember watching Mr Bray playing softball, then when I started playing softball he was our umpire. Such a joy of a man , always willing to spend time with you to teach you the rules and the right and wrong of playing. Always honest and always so very friendly! Lived in Versailles Boro and would run into Mr Bray at McDonald's in Olympia Shopping Center! Loved him and will Miss him tremendously! Rest with God Mr Bray and we will get to play the game again!
