God's Angels

Why are there tears and faces so sad? if they knew where I am, they would be glad. God called me by name and down to my bedside, the death angels came. They carried me up to my home in the sky so you don't have to wonder why. I don't have to suffer, I don't have to cry because God has wiped every

tear from my eye. I appreciate your help and all that you've done but it is my time to rest with the holy one, Goodbye my loved ones, family and friends we will all see each other when eternal life begins.

Praise be to the God and Father of our Lord Jesus Christ, the Father of compassion and the God of all comfort, who comforts us in all our troubles so that we can comfort those in any trouble with the comfort we ourselves receive from God.
