“ I was just notified of God calling Debbie home to be with the Lord. Debbie was a kind and so sweet lady. I met her on military installation at Ft. Belvoir Virginia. We met through my military friends Michael & Sonia McNary whom are the sweetest people ever. We all would play Cards/spades and sit around and bbq and just have a great time together. Debbie had a laugh that would make you laugh and was so full of laughter. All our friends whom came in contact with Debbie enjoy her hilarious company . Debbie you will be truly missed and surely loved by so many. RIP RIHEAVEN as God gained another bright flower for the Garden. YOUR FRIENDS FROM FT BELVOIR VIRGINIA Wes, Lenore, Gina , Gina Calvert and Friends whom you came in contact with. “ We, the Billingsley family, send our condolences. Debbie grew up with us. We all went our own ways and yet those good memories of times with her will never be forgotten. May God Bless you all.
