“ To the Perry family:

Please allow me to send my condolences. My connection to this family, although not via DNA, has been more spiritual than anything during my lifetime. I've been acquainted and grown close with them over the last 45 to 50 years. Dolores' daughter—Sherri—is my half-sister. I use the term “half” loosely because she and her brothers (Mark, Doug) and cousins (“Tiny,” Helen, Jimmy, “Lee Lee”, etc.) have been an integral part of my life. Every summer, when I used to visit the Pittsburgh area, I was welcomed with open arms. When I finally moved there during my junior year of high school, that bond continued and even amplified.

Dolores was special. Please take solace in knowing that her transition into eternity was a smooth one, and she is now in the presence of the Lord. All of us, if we remain on the right path, will see her again at some juncture in her purest, most glorious form.

God bless, and always know that I'm here for you if needed.

Sincerely,

Dr. Eric Hawkins (“Hawk”)
