“ *I remember being on Mr. Jones son's house with Mr. Jones and we were watching the football game and having cocktails. I was making a drink using a cocktail shaker, which I was shaking it, it got extremely cold. I went to show my friend Butch how cold it had gotten and reached over Mr. Jones as I was reaching over him, the top came off the cocktail shaker and all the liquid landed on Mr. Jones lap. He really was a good sport about as we laughed it off. RIP Mr. Jones you had a great sense of humor. Kevin Nowlin*
