“ *Condolence to the family at the loss of an extraordinary woman, Ms. Ethel Dolly Lee. Her spirit was blessed with the gift that reached far beyond her paternal family that made others feel just as close. We lived next door and witnessed early leadership in action...family, parental, spiritual, academic, community, social and political. The rich legacy is generational.*

*Thanks for displaying so eloquently your unabashed courage for us to witness.*

“ To Diane and Family, Please know that there are many of us holding you all up in prayer and sending prayers for peace and comfort at this time and in the days to come. Your mom left such a wonderful, endearing, and enduring impression on everyone who met her. I just loved her feisty spirit. She has left a wonderful legacy in all of you. Our sincerest condolences, Merle Carter & Family (Einstein, Philadelphia)
