“ My memory of Helen, my loving sister-in-law, was that she loved all, especially her family. I know how much she & Nancy loved each other. Helen was among the sisters to Nancy, who assured my dear wife that she made the right choice in bringing me into the family as Nancy’s husband. The best years of my life were being with Nancy & all the family. Thanks Helen for that vote of confidence in me. Please give Nancy a loving hug for me as you join her in heaven. Love you forever, Byron
