“ Speedy we are going to miss you I can remember us having our football team the Hillcrest Hawks and Speedy running through them guys trying to tackle him. Columbo always tried to beat us, but we had too many good players. I remember Speedy and Junior used to let us drink our beer in the basement and we use to twist our funny cigarettes up down there and nobody ever got in trouble. Not to mention the weights we lifted I think Speedy started when Rodney Robinson introduced us to weightlifting around 14 or 15 years of age. I was a pleasure knowing you my friend rest in peace and may God bless your family.

“Speedy” was our mailman for 31 years. Not only was he The Best Mailman Ever, he was A Very Kind, Positive, Friendly, and Wise Man. He was a Wonderful Human Being. I've missed seeing his smiling face, warm hellos, and quick chats about his kids and family. Although I've never met them, I can only imagine what a great husband, father, and grandfather he was. My heart is broken for their loss. It's all of our loss. The world has lost a beautiful light. May he rest in the Peace <3

“God speed, Speedy. You were one of the nicest people I've met. Our family missed your big smile and booming voice since you retired, and it was always nice to see you around the neighborhood. You clearly loved your family, and it's unfair that you didn't get more time to enjoy your retirement with them and on your hobbies. RIP.

“ So very sorry to hear this news. He was our mailman when we first moved to the US and so kind and helpful. A truly good person. I wish he had had a longer retirement with his family. Thinking of you all.

“ Speedy was our mail carrier for many years in Point Breeze. He introduced himself as Speedy, so that's how we referred to him. He was friendly and outgoing as a person, always ready with a comment about the day, the weather, or the Steelers. He was also a dependable mail carrier, no matter the time of day or the weather. When he retired from his job a few years ago, we were all heartbroken because we were losing not just a mail carrier, but a friend. Rest in Peace, Speedy! --Dan and Libby

“ Speedy was our much beloved mail carrier for decades in our part of Pt Breeze. When he came on our street for the last day of delivery, there was a 3 foot x 6 foot sign hung high on a fence about 10 ft up that read, "SPEEDY, Best Mailman EVER!!" The next day, we took the same sign and hung it on the fence at his Post Office to let everyone know how much we cherished him. The warmth and joy he brought to our street will never be forgotten. He was our friend, our lookout for elderly residents and a beacon of certainty in our lives. RIP.

“ *I lived in point breeze for 30 years. Speedy was my mailman for all or most of that time and we became friends. He did so many favors for me, such as keeping my mail when I went on vacation. Of course, he delivered it all when I returned. That's just one of the nice things he did for me. I have thought about him many times since I moved away. He was one of the nicest man that I've ever known. My condolences to his family. I wish that I could have said Good Bye.*
