Audrey Adams, I am sorry for the loss of your father. It was sinful that you were not told of your father's death. God bless you and your family.

Thank you Sue, I know that GOD always has a plan and obviously they have no place in my life , they are in league with the devil and they always wanted to pretend that I didn;t exist and this was their way of doing that but that doesn't make me non existant!!

“ I just found out, today, that Lee had passed. To his family, I am so terribly sorry for your loss. I live in Churchview Garden Apartments, which is where I met Lee, many years ago, when I first moved up here. I drove past his building today and noticed it was empty....he always had plants in his window. So, knowing he'd been ill, I checked for an obituary and there it was, which is very sad to me. Lee, which is what he preferred that I call him, was a very good friend to me and my daughters. He was a great guy and he was willing to help anyone in need. I haven't really seen him or talked with him for a couple of years, due to my own health issues, but I always wished him the best. Lee, I pray that you are resting in peace. We will never forget you. And, to his family, you are in my prayers.
