“ Moffitt loved two things more than anything on this earth, his son and his Pittsburgh sports teams. I have many memories with him so its hard to pick one. One thing I will say to his memory and character is he worked hard, and no matter what was going on in his own life, he was always there for his friends and family. He truly will be missed. I will forever be grateful for him being a part of my life. Not many know this but he saved my life 4 years. He was a truly an amazing man. Words cant explain how deeply he will be missed 😭
