“ *I met him when I was young and a dewey eyed emt in need of some ems advice and I got it from him. If you were fortunate enough for Curt to let you in, he was just the salt of the earth and we quickly became like brothers. His love for his wife was so great that he never overcame the grief inflicted by her untimely loss and now they are back together on that side of eternity. That is the thought that I hold onto that tempers the reality of him passing on. As my pastor would say, "Peace to his ashes".*

“ I remember working with Curtis frequently when I was detailed or accepted an overtime shift at Pittsburgh EMS. We shared a camaraderie that was fun. His happiness and joking manner was always a pleasure to be around. Rest easy Curt. Now that you're back with Dee, she'll keep you busy.

“ I had the pleasure of knowing Curtis when his wife, Dolores "Dee" was my crew chief at Medic 6. Saw him here and there over the years and he was always kind and gracious. Together again with the wonderful Dee!

“ Curtis always encouraged me as I learned under his tutelage as a student and he never boasted about his knowledge. Working alongside him as his partner, I found that he had the ability to lighten any situation as he left those around him happier and full of laughter. He will surely be missed.

“ I worked a few months with Curtis when I started then from time to time there after. He was fantastic. His laughter always made my day and he'd always be able to make me laugh. Laughter was the best medicine. May Delores and Him reunite in heaven they were a a force together. I would see Curtis every so often his smile was always present. Rest in Peace Curtis. God Bless You. Thank you for years of fun and calls. Prayers.
