“ Correction, MINT Condition....he loved that band. I want to get it right.

Could you please convince your sister to please do something for HIS family? At least give some ashes to his children. We ALL loved him soooo much and it hurts more today than ever.

“ Jeff was my brother in law, but no, he was my brother. Not only do we share the same birthdate, we both love music and family. I have countless memories of family gatherings and visits with him and my sister Gina. One of the last visits, Jeff did karaoke, I requesting that he sing the lead on the song Fantastic Voyage. Boy, could Jeff sing anything! Every time I hear that song, or one of his favs from Stevie, New Condition, or Earth, Wind and Fire, I know that he is smiling down on us. I am sad that he is not here, but his imprint is solid in our hearts. I will always support Gina and surround her with love as she loved you so much. We love you Jeff, rest in peace.
