

Josifani Moyo

October 3, 1941 - December 9, 2020

Josifani Munyika Moyo, affectionately referred to as Daddy, Pop-Pop, Uncle Joe and by most simply as “Joe

Moyo”, was born on October 3, 1941 in Zishavane, Zimbabwe.

Joe is the eldest son of six children born to Jairos Munyika and Shoorayi Shumba Moyo of the Shona speaking

Bantu Tribe. Joe was fiercely devoted to his family, particularly to his mother, to whom he often described as

“the kindest person one could ever meet”.

By 1957, at the young age of 16, Joe was one of only four students in his primary class selected to attend

Fletcher High School, a prominent government sponsored all male boarding school in Gweru, Zimbabwe. Upon

graduation from Fletcher High School in 1963, Joe received a full scholarship to continue his academic pursuits

in the United States at Waynesburg University, Waynesburg, PA, where he he earned a Bachelor of Science

Degree in Mathematics and Chemistry.

After graduation, Joe attended Purdue University in West LaFayette Indiana, where in 1970 he earned a

Master of Science Degree in Chemical Physics.

During this period in 1967 Joe married Janet Lee Patterson of Pittsburgh, PA.

Together they spent the next

fifty-four years through life together, during which time they produced two daughters, who became the center of Joe's and Janet's life. Erita Munyika Moyo was born in 1967 and Selina Munyika Moyo followed in 1974.

From 1972 to 2020 Joe was the Academic Program Director and Mathematics Instructor at Bidwell Cultural

Training Center-Manchester Craftman's Guild, Pittsburgh, PA., where he was noted for his very successful and unique style of teaching, known as "Moyo's Math".

At the sacrifice of his own desires, wants, and needs, Joe's complete humility, devotion to his family and his

personal values based on giving, and giving, and giving has left an unreplicable imprint of giving on his family,

both in the United States and in Zimbabwe, and the City of Pittsburgh.

Consequently, Joe leaves a legacy, which

was truly ordained by GOD himself before the beginning of this world

His deep affection and lifelong passion for golf, which he developed during his youth in Zimbabwe, continued

to the end of his life. In fact one year Joe's endless enjoyment of golf rewarded him with a remarkable hole-in-one.

Joe's sudden and unexpected departure has left an enormous void filled with pain for his family and all of

those who loved him. This is chiefly due to the one common denominator in Joe's life, which was simple and

quite clear, as his math lessons. It was "Love".

Josifani Munyika Moyo is survived by his beloved wife and life partner for fifty-four years, Janet Lee Moyo;

Daughters Erita Munyika Moyo, Plainfield, Illinois; Selina Munyika Moyo Anderson, Son-in-Law Charles

Anderson, Esquire, and adored granddaughter Leah Erita Anderson, Fort Mill, SC. Joe is also survived by two

direct siblings' eldest sister Erita Tagwi and younger brother Zivai Mbrenego Moyo of Zimbabwe. Joe is loved and cherished by scores of students in the Pittsburgh area and an army of extended family both in the United States and worldwide, and a host of friends.

Joe's only and last request is to have his remains returned to the soil and land of which he originated.

His family on a date in the future date will fulfill his request.

“ Dearest Janet and family, I was so sorry to hear of the recent loss of your dear Joe. I remember many years ago seeing the two of you at Evelyn’s, soo much in love. As a young girl, for me, it was a beautiful sight to behold. May you find comfort beneath the shadow of the most High God; there is comfort there. May the precious memories of times well spent enfold you and bring you peace and joy.

Much love to you, your daughters, your granddaughter, and all family members, and dear friends.

Respectfully yours,

“ It was a joy to watch Josifani labored together with his beautiful wife Janet, as they brought style, charm and elegance in decorating for many of the functions held at Bethel African Methodist Episcopal Church in Pittsburgh, PA. They made an affectionate striking couple and a blessing to everyone God gave them to love.

May this scripture strengthen and encourage you, Janet, your wonderful daughters and your family and friends.

"All those who stand before others and say they believe in me, I will say before my Father in heaven that they belong to me.".....Matthew 10:32

“ *Mr. Moyo was one of those individuals that had a passion for what he did and he made everyone feel special and believe me, you understood whatever he was explaining in the end. He was highly respected and loved by those who had the privilege of knowing him, whether it was through learning, or working, or golfing. He never missed his weekly visits to his favorite place "Bread Works" for his bagels. God Speed Mr. Moyo. . You will be missed, but your memories will live on Forever. My deepest sympathy and prayers is with the family.*

Mr. Moyo was a kind and passionate man. In his deep voice he always asked, "How we doing?!". Thought I'd share these images. He wasn't in front of the camera that often, but when he was he always had a smile.

“ Dear Moyo Family,

I was so saddened to learn of your tragic loss.

I met Joe during my year as an AmeriCorps literacy tutor at Bidwell Training Center.

He was an inspiration to me.

He often took his lunch, sitting at the end of a hallway, so students knew where they could find him when they had questions. He was a TRUE educator, sensitive to his students' needs.

Please accept my sincere sympathy and my prayers.
