“ *So sorry to hear of my dear neighbor of West 14th Street. I love and miss you! Joy ! Not since we were all teenagers have I seen Joy. God bless and keep you all, family! You are all in my prayers.*

My first recollection of Joy was her beauty. As a teenager, she was such a beautiful girl , both inside and out! Her smile was infectious and I loved her hair. I also remember her being very intelligent with such a humble spirit. My condolences to her family during this painful time. Continuous prayers for all who knew and loved her.
