“ *Kathy is my best friend. She's an amazing friend. She would do ANYTHING to help someone in need and she a HUGE heart. I will miss her for all of my days.*

*One more day*

*One more time*

*One more sunset, may I'd be satisfied, but then again...*

*I know what it would do...*

*It would leave me wishing still for one more day with you*

*There is a HUGE hole in my heart because I miss you so much. There is yet another scar on my soul along with the scar of the loss of my brother. You both intersected in life and I know you will intersect in Heaven. PLEASE hug Kirk for me. I love you Kath. I pray you are resting in peace with Jesus and I know you brought so much happiness to Heaven. More smiles than ever are now in Heaven because you are there. I KNOW IT.*

*I have never had a kinder friend. I love you baby. Rest in peace my beautiful friend.*
