“ I had just reconnected with my friend Kathy, we became friends when we first started working for Continental Airlines many years ago. Once we reconnected our 1st conversation was more laughter than words. I am so thankful that we found each other and I am going to truly miss her. I will always remember her laugh and her generous heart. Kathy was truly one of the most kindest, giving, loving people and if you were lucky enough to know her you are truly blessed. Deja Vu Kathy that will forever be our song!

“ I'm so sorry to hear about the passing of Kathy. She was such a kind, sweet person. When she lived in Homeville during our teens years, that's when I was able to spend countless moments with Kathy. Memories that I shall cherish for ever. She was such a Joy and always had a smile on her face.
She's truly going to be missed. Rest my friend, until we meet again. Family, hold onto God's unchanging hands for comfort and strength during this difficult time.

“ Kathy’s family & the Fisher family were childhood neighbors in Whitaker Projects. She graduated with Lady. I remember Kathy’s graduation picture influenced me to take a similar topless graduation photo too. Memories of us partying over the Spot, at the Workingmen’s Club, & the house parties that made us laugh. I am so glad that she came home to the annual party, last year. Memories that will be cherished. I love you, sister. R. I. P. Kathy ...
