

## Keith Robinson

June 7, 1961 - December 14, 2021

Keith "Twin" Robinson Sr. was born on June 7, 1961. He was the youngest of 15 children born to the late, great John Straugher Robinson and Helen Murphy Robinson. He passed away peacefully after his health took a critical turn on December 14, 2021 at UPMC Mercy. The epitome of strength, Keith fought vigorously until he was called home, with hopes of seeing his loved ones once again in heaven.

Raised in Hazelwood, PA, Keith graduated from John A. Brashear High School before joining the Army Reserves from 1983 to 1987. He moved to California soon after, and was employed at the Federal Aviation Administration for 15 years before moving back to Pittsburgh, PA in 2009.

Keith's infectious personality left its mark on so many people - you could laugh and joke with him for hours before realizing how much time had passed. A commanding presence in any room, he demanded your undivided attention - when he spoke, you listened. An avid learner throughout his lifetime, Keith could fix anything he put his hands on and was always working on a new project or task.

Keith was the most dedicated, selfless, and loving husband, father, brother, uncle, grandfather, and friend anyone could ever have. His hobbies included coaching youth athletics, DIY projects, photography, staying up to date on the latest technology, and spending time with his family. He was a role model for his family and community, giving back by coaching the youth and instilling the

blueprint for how to be successful on and off the field. A father figure to many, his legacy will live on through everyone he encountered in his 60-year long life journey.

Keith is survived by his wife Yvette; daughters, Britney Spencer, Keilyn D. Robinson, and son, Keith J. Robinson Jr. (Jalen); grandchildren, Jordyn and Willow; siblings, Jerry Robinson, Beverly Locke (George), Adrian Massey (Sam), Terry Robinson, Gail Robinson, Kenneth Robinson; Loretta Leonard and Rhonda (Lisa) Robinson; in-laws, Janice, Jackie, Michelle, Billy and Nate and a host of nieces, nephews, cousins, other relatives, and friends who loved him dearly and will miss him.

Lovingly Submitted,

The Family

“ I went to high school in Bakersfield with Keilyn and Jalen. When I'd go over the house sometimes, we'd hang out in front or in the garage and Mr. Robinson would shoot us with BB guns. It wasn't him if he wasn't talking trash or whooping us somehow haha. That was his character and way of bonding with us kids, through playing too dang much and saying ridiculous things. Making us laugh. Being straight up. He was always so welcoming to me, made me feel like part of his family. Love to you always Keith, rest in power pops. We love you. You live on always. Love, your fake adopted Asian daughter, Sarah Yoon King

“ *I have known Keith since I was a kid growing-up in Glenwood. He was helpful, and when I was old enough—I played some neighborhood sports with other older kids. When Keith was around—none of the area problem kids had any trouble in his presence. Everybody respected this good man !*

*Finally, I would say to his family. I have lost family over the years and I am now are going through now. However, if possible, try to keep the sentences*

*Keith Robinson is no longer in any pain. He has a brand new-immortal robe, a halo over his head, and he is alive in the loving presence of Jesus in Heaven for eternity.*

*Eventually all of us must leave this world. God willing, we will reunite with each other in Heaven for all of eternity and be in the loving presence of Jesus Christ*
