“ To the Parker Family...you are in my prayers! I had the pleasure of working with Kenny at the Corps of Engineers for years. He was a great man! He kept us laughing! Always willing to help and assist someone! Everyone at work loved him! He never would miss work either...we all would call off sometimes but not Kenny...he was faithful! Another thing...He always spoke so highly of his wife, his family, and his band! I thank God for sharing him with us! God is good...may God bless all of you and comfort you during this time...🙏

My deepest sympathy...Barbara Fisher

“ To the Parker family you have Joe and my condolences. Lee and Kenny, you have been my friends for over 40 years and the union that you built as a married couple was awesome. I will miss Kenny and his joking ways, always kind and affectionate. I will miss our crazy talks but loved your no-nonsense attitude to life. You were definitely a straight shooter. I guess that came from pool. Kenny I will check on your babe. God bless the family.

“ My brother in law was as unique as they come. We had many spirited debates about many different subject. He was steadfast and committed to his beliefs but the most memorable of his traits was his loyalty to family. To my beloved sister, Arletha he was her rock, a companion and friend to the end. Will miss our spirited banTERS and his unique way of being himself. May his spirit remain in our memories Lovingly, Linda and Leslie Boyce

“ Shocked and saddened by Mr. Park's passing. Not many, if anyone I have ever had the pleasure of meeting, that I had more natural respect for upon meeting and getting to know. Conversations about life, lessons, and values, it didn't matter, Mr. Park had an opinion and not just AN opinion but HIS opinion, lol...Mr. Park had a presence; a huge man, a huge smile, and a beautiful gleam in his eyes that I will never forget. Mr. Park was a man's man blessed with knowledge, wisdom, and a work ethic that made him the ideal son, brother, husband, father, and grandfather that he was.

Without a doubt, a part of me has passed away upon hearing this news but I'm honored that Mr. Park and myself share the same initials in our first and middle name "KD."

My deepest condolences to Tammie, Derek, and of course the queen of the family, Miss Arletha, aka Mrs. Park as I affectionately call her.

Rest Easy Forever, Mr. Park, I already miss you and I love you my brother, SIR!

“ Uncle Kenny- Thank you for being my supporter through my child and adult hood. You were apart of my growing up as an amazing neighbor and second dad in a lot of ways. I am so saddened to hear of your sudden passing. I hope that my dad greeted you wherever you are with a nice cold beer. I'll always remember your music, your smile and positive greetings every day. Love to you and your family
❤️ RIP. Love, Rita
