

Loren Mercer Keyes

December 1, 1943 - February 5, 2022

Loren “MERCER” Keyes, the 5th born son of Kenneth & Alistine Keyes, was born in December 1, 1932 in Cumberland, Maryland. Mercer’s family later moved to Braddock. Mercer graduated from Braddock High School in 1961. After graduating, he enlisted in the United States Marines. While away in the Marines, his family moved to Homestead. Upon his 4 year completion in the Marines, he too joined his family in Homestead. In 1965, Mercer was introduced to Peggy Dalton by their long-time friend, Alice Harris. On March 29, 1966, the two became one. He married the love of his life, Peggy; and from that union their only child, Kandi, was born. Mercer called his baby girl “Kid.” Mercer took being a U. S. Marine Veteran to heart. He took pride in speaking at the Veterans Day Program at Steel Valley High School. His favorite pastime was going to Rivers Casino with his long-time friends Sidberry & George Knox. He loved fishing and was also a devout Pittsburgh Steeler Fan. Mercer was a man of few words, but when he spoke, he kept it 100. LOL. “Imma cut you” was one of his favorite sayings. Mercer was crazy about his grandchildren. They affectionately called him “Pap-Pap.” Mercer loved and supported his entire family. He did whatever he could, when he could for his siblings, nieces and nephews. He also adored his four-legged best friend, FREEWAY. Mercer worked at Mesta Machinery in West Homestead for 28 years until the mill shutdown. After Mesta closed, Mercer took ownership and ran the Jitney Station (Kwik Kar) along with working for Tunie Funeral Home where he faithfully served over 40 years until his health began to decline.

While embarking on his journey for Tunie Funeral Home, Mercer confessed and accepted Christ. Mercer departed this life on Saturday, February 5, 2022. Mercer was preceded in death by his parents Kenneth & Alistine Keyes; siblings; Kenny, Max, Charles and Robert Keyes, TieAnn Petties (Keyes) and Debbie Standford. Mercer leaves to cherish his life and long-lasting memories, His devoted wife of 56 years Peggy; his faithful daughter, Kandi (Ronnie Winford); Grandchildren, Bijan, Kashmyre, & Zebadiah; Siblings, Danny, Frank (Tina); Karen, Maye, Michelle; long-time best friend RaFeek Smith along with a host of nieces, nephews and cousins.

“ To everyone that prayed, sent a card, a text, called and/or posted, sent food or stopped by. Thank you for your kind words of encouragement and being there. My daddy's Homegoing service was truly amazing. My mother, myself and the entire Keyes were truly blessed for the turn out and the love the people expressed for my dad and his family. I am forever grateful the love you have showed us.

Though I still struggle with the fact that he is no longer in the flesh with us ... I am at peace knowing he is with the Lord.

Again, I thank you and I Am humbly grateful for your love.

Love,

Peggy, Kandi & the Entire Keyes Family

Beautiful video, Kandi...my favorite part @9:19 the entire family led by the first lady of the Keyes family, grandmother Alistine: I was a youngster, but I remember her well, spending many a day there, her babysitting me and cooking "supper" as I remember her saying, lol...

What more can I say, uncle Merc, I truly love you, respect you, and will miss you but I will never forget you. Your humble yet no-nonsense demeanor, our friendly and respectable conversations about YOUR Steelers, and MY Ravens.

You ALWAYS had my back and those ain't just words that is a FACT. Nothing but fond memories of all of the Keyes, especially Charles, my girl TieAnn, Frances, Karen, little Frank, Nisha, Trina, Lori, Lisa, Maye, and even Bobby, though he scared me, haha...he used to pick me up back in the alley behind his mother's house when I was about 3 or 4 and playfully swing me around in the air...and of course last but not least, my little sis, Kandi...even though she works my last nerve on occasion 😂.

I couldn't bring myself to watch you lying there in a casket, I didn't want that to be the last way I saw you; I remember the last time I saw you, as I was moving away from Homestead and we had a brief conversation about my ordeal and I recall your final words and reaction as you drove off down Ann Street which I will keep between you and me and THAT is how I want to remember you.

Again and on behalf of my dear and beloved mother, I offer my condolences to Miss Peg and Kandi and the Keyes family, a cool and unique bunch.

Rest Easy uncle Merc, you were one of a kind!

“ In my tribute to Mercer, I misspelled his last name by mistake, it's "KEYES" and I would be remiss not to correct myself, and not put proper RESPECT on his name, absolutely!

“ "Uncle Merc."

One of a kind. My man and a true Homestead icon. Legendary respect and I have fond memories of this man since I was a snot-nosed kid raised on West 14th Avenue to the day he passed. During the most traumatic moment in my life, a true LIFE and DEATH experience, this man was there for me, had my back and showed me support like no other.

Nothing but love for the entire Keys clan, they are like family to me and always have been and I send my deepest and most sincere condolences, Rest in Peace uncle Merc!
