“ *Tony Samuels what a friend and true Homesteader.. too many stories and memories to share and time will not permit such lengthy stories. No matter the circumstance Tony definitely had your back and made sure you had the funds needed to do what needed to get done. Great football player the "Tony Special" and Basketball player and boxer in Mr. Lee Morris' Gym. Teddy my deepest condolences and prayers to the entire family on the loss of your close brother. The Lord Jesus Christ continue to strengthen and heal through this time of bereavement.*

“ Your oldest child will always have you in my heart.
You gave me my first car this was very special to me because it was
your favorite car a blue cutlass rims and all it was very well
maintained. You did it so I could get back and fourth with my first
born child.
You told me no matter the circumstances you love me with all your
heart! This world will not be the same without you! Love always you

“ *Where do I begin? I remember when I was hit by a drunk driver on the parkway and you made sure you and my dad showed up on the scene and all I hear is the police yelling at you and pops because y'all were running across the parkway to make sure I was ok. Anytime I needed my car fixed you made sure of it. Thanks for sharing your birthday with me Uncle Tony I plan to always dedicate it to you the best I can. Keep Grams and the rest of the family company until we meet again. I love you forever💙*
