“ *My Uncle Mark wanted to put smiles on everyone's face. From the time I was little, I remember him setting up a train display and having the biggest stocking from Santa. He loved being able to surprise you. He will be remembered as my uncle who always made me smile. He will be missed.*

Those who knew my brother knew the kind of person he was. He had a heart of gold and would help anyone who needed it if he could. Some times he was and some times he wasn't, but he was only human and aleast he tried. RIP now that your life is over,so is all your worries.
