“ *My deepest condolences to the Myers family. Mrs. Myers and my mom are friends and coworkers in the church. She was a very kind soft-spoken lady. There is never enough time to be with our loved ones and I know everyone's heart is broken. I pray that God sends his Holy Spirit to comfort you and assure you that you will see her again in glory.*

“ To the Myers Family,  
My deepest sympathy and prayers go out to you! Ms. Mel was such a beautiful woman inside and out! We spent many years in your home while Ms. Mel made us look beautiful! First my mom, sister and myself would fall asleep as she pressed our hair and that loving hand always had a way of pushing our head straight so she could complete the task. So many sweet memories! You have been there and provided, now she is resting and safe in the the loving arms of Jesus!  
Praying God's Peace and comfort!  
Love,
