

Opal Lewis

November 27, 1948 - May 30, 2020

Opal Lewis was born November 27, 1948 in Prattville, AL. She is the only child from the union of the Edward Lucas and Jessie M. Harris. Opal was kindhearted, nurturing, loving, caring, and welcoming to everyone she met. She would always greet you with a smile, a hug and some good ol' southern hospitality.

Opal married the love of her life, Felix Lewis Jr. in November 1973. Opal and Felix have celebrated 47 and a half years of marriage. She was blessed with two wonderful children, Nikita Lewis and Johnathan Lewis. One of her most proud moments was the day her grandson was born and she was able to hold him in her arms. She smiled from ear to ear and adored him from that day forward. She always made her family her top priority and would do anything to make them happy.

She dedicated her life to helping others while working in nursing for over 30 years. She would treat her patients with such care and kindness and they loved her. There are stories that many of the patients would ask "Where is Miss Opal?", when she was not working. They looked forward to seeing her smile each and every day.

Opal was a fighter and battled quietly, but resiliently. Through her multiple illnesses, she always trusted in the Lord that he would see her through each and every battle that she faced. On May 30, 2020, God told her she need not suffer anymore and called her home. Her legacy will continue to be cherished by her husband, Felix Lewis, Jr, her daughter, Nikita Lewis, and her son, Johnathan Lewis, as well as her grandson Demetrius Lewis. She was loved by many and we all will miss her.

Due to restrictions associated with COVID- 19, a memorial service will be planned for a later date.
