“ I remember when I was living in Lorain Ohio and Pat would come to visit me with two other sisters in the church and we would read the Bible and sing some songs. I remember my favorite song was God eternal has a purpose. Pat was always encourage me to walk with the Lord she care for me and she always had me and my baby Christol come over to her house to spend the weekends and sometime she would come all the way from Cleveland wherever she live she would come to Lorain Ohio to get us never complain. I appreciate Pat so much she was like a mother to me in the church and now I live in Livonia, Michigan and every day she would sends me a verse and sometimes I would send her a verse. I stay in touch with Pat. I also would talk to her on the phone and one of the first verses She had me memorized was first John 1:7. I love and is going to really miss Pat and I'm glad I had the opportunity to thank her before she passed away.

“ *What a great photo of Pat with that beautiful smile. I am one of many people to whom Pat had an influence on my life. I remember with fondness when Jim and Pat would visit our home in Rochester to encourage us in our walk with the Lord. Jim and Pat Ensmen*
