“ *Dear Family I was saddened when I got the news about my sister in Christ Paula who has been a blessing in my life for many many years. I have precious memories of our friendship and the times we had shared in ministry at Clark Memorial Baptist Church. We served together in many different ministries there. Paula took me under her wings when I first came to attend The Clark Memorial Bible School she was my teacher for the Genesis Class. Family my heart and prayers are being lifted up for you. May the Lord continue to comfort you and keep you strong through Jesus Christ our Lord and Savior. I will always remember the love Paula gave to me and others and the joy and the retreats to Rod Parsleys Summer Camp Meetings in Ohio our shopping trips and the many times we spent dining out with our sisters in Christ a lot of fond memories never forgotten but always remembering those precious memories. Now sister you can rest in the loving arms of our Lord and Savior.*
