

Dr Rachel W Jones

December 2, 1934 - February 16, 2021

Dr. Rachel W. Jones, 86 passed away quietly on February 17, 2021 at Shadyside Hospital in Pittsburgh, PA. She was the second child born to Emmett Gurtha Woods and Jessie Mae Ellis Woods on December 2, 1934 in Troy Alabama. The family, including sister, Ann and younger brother Fred relocated to Pittsburgh in 1940.

The family made their church home at Second Baptist Church of Homestead. Rachel was a long-time dedicated and active member serving on the Trustee Board, the Nurses auxiliary, and the Emmett Frederick Woods Scholarship Tea which was named for her brother who died in 1962.

Rachel was educated in Pittsburgh Public schools starting at Burgwin Elementary, then Gladstone Junior High, and on to graduate from Taylor Alderdice in 1954. A life-long learner who for many years could be found spending late nights at her kitchen table among piles of books filling endless tablets with, Rachel would go on to earn her Bachelor's, Master's, and Doctorate degrees in Education from Duquesne University and The University of Pittsburgh.

Rachel started her teaching career at Baxter, and steadily rose through the ranks to lead as Vice Principal at Fricke, Principal at Lemington, and Principal at Crescent. As a founder of the Greater Pittsburgh Alliance of Black School Educators she further demonstrated her dedication to expanding children's education – particularly children of African descent. In 1989 Rachel was recognized by the Principal's Academy with the Distinguished Principal's Award for setting high standards for instruction, student achievement, character, and climate for the students, families, and staffs in their learning communities. She was a Teacher's Teacher advising, mentoring, encouraging, and celebrating many others along the way.

A deeply committed member of Delta Sigma Theta Sorority, Inc. since she pledged in college, Rachel assisted in mentoring and pledging several generations of her DST sorors. She was honored to serve as the Pittsburgh Chapter President from 1987 – 1989, and she traveled the country to participate in just about every regional and national convention.

In 1958 Rachel was married to Faithy L. Jones (deceased) and was a dedicated spouse throughout their union of 20 years. She enjoyed cutting up with her friends, loved cards

and board games, was a diehard Steelers fan, enjoyed jazz music, sports cars, and chocolate desserts. She was especially known for her sense of style and affection for classic clothing, and her no-nonsense demeanor.

Rachel is preceded in death by her parents: Emmett “Gurtha” Woods (1988) and Jessie Mae Woods (2003); Brother: Emmett “Fred” Woods (1962); and Nephew: Dr. Bryan K. Tippett (2015) whom she referred to as her best friend.

Her memory will be cherished by: Sister: Ann Tippett; Cousin: James Jiles, Sr. (Shirley); Aunt: Pearl Bundridge; Sister-in-Law: Odessa Woods Mathews Johnny); Nieces: Lydia Woods and Jo Anne Tippett; Nephews: Gordon Tippett and Julian Tippett (Tiffani); Great Nieces: Alexis Tippett Coles (George) and Schae’mar Tippett; Great Nephews: Emmett “Avery” Woods-Gresham and Julian “JT” Tippett, Jr. and Great-Great Nephew: Joshua Tippett, PLUS a host of beloved cousins and very special “extended” nieces and nephews: Tina, Dannita & Jaion, and Damiene & Damiene “DJ” Jr. In one way or another, Rachel had a hand in raising us all! So, while we will miss her deeply and dearly, we are rejoicing and grateful as we celebrate her life!

“ *Sending my condolences to Dr. Rachel Jones family. I have lots of fond memories of her as a young student at Frick school. She was the principal there for many years. Wow I am going way back over 40 plus years. But i will never forget her and the positive impact she instilled on many of her students lives.*

“ *I am saddened to hear of the passing of Soror Dr. Rachel W. Jones. I have so many memories of her when I was a child, teen and later young adult growing up in Second Baptist Church in Homestead. I was recently home for another funeral and learned of Soror Jones' passing. My grandmother Inez was so fond of Ms. Jessie and Soror Rachel as was I along with Bryan, Gordan and Julian. May she be received well by our God and or ancestors. Ase and Amen.*

“ Today we participated in the live streaming funeral service for our beloved Soror, Dr Rachel Woods Jones, a past president of the Pittsburgh Alumnae Chapter. Dr Jones was a family friend long before I was born. We belonged to Second Baptist Church of Homestead PA, where she served in many positions including Chair of the Trustee Board. It was as my Soror in Delta Sigma Theta Sorority, however, where I came to cherish her friendship toward me and my Soror mom. The ancestors will surely welcome her with open arms as she takes her rightful place among them!!! Soar on, Soror!! ▲❤️

“ Our deepest sympathies to the family of Dr. Rachel Jones. She was a bright star in a dark world. She will be truly missed. She was a long time resident of the Imperial House Condominium. She always was so kind and thoughtful and an absolute treasure to be around. We had the privilege of knowing her for over 35 years and our building will not be the same without her. Our hearts are broken.

“ So sorry to hear of Rachel's passing. She was a sorority but also a dear friend. She was my principal at Crescent Elementary School and we became dear friends. She had a wonderful sense of humor and a calm about her that could quell most problems.
