“ Tommy,
We never lose the people we love, even in death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our memories.” Don't let go of your precious memories. They'll get you through this difficult time.

“ My deepest condolences to Lee & Frankie and the Perry Family. I have such fond memories of Ms. Ruby. She was so easy to talk to when I was a little girl. And as a young woman, she knew what I needed to hear without me saying a word. I would always try to visit her when I came in town to visit and enjoyed our phone conversations.

Remembering her with love and fondness,
