“ I have fond memories of Rufus Lewis due to him visiting Union Springs, Alabama and by being around with Aunt Minnie// Uncle Fred in Pittsburgh. Rufus Lewis shared his opinion. He loved his family and enjoyed sharing his memories. He is loved dearly.

My name is Kim Darwin and Rufus was the love of my life and it's so sad. His family didn't get in touch with me. But God is good. A few weeks ago I had Him on my mind and I kept trying to get in touch with him and His grandson.. I'm putting Grandson Put him in. nursing home. But still no one got in touch with me. Well I wish Well have a blessed one
