

Sherry Ann Stribling

December 12, 1958 - May 16, 2019

On December 12th, 1958 the late Ralph and Gladys Stribling would welcome into their family the youngest of what would make 14 children, Sherry Ann Stribling. Sherry may have been born the youngest, but one never would have known as she was wise beyond her years, spoke her mind and had no problem with telling it like it was to whomever needed to hear it. Sherry was called home to reunite with her mother, 6 brothers and 2 sisters on May 16th, 2019.

Sherry grew up in New York and Pittsburgh PA, in Pittsburgh she lived in the Hill District, on Whiteside road. She attended 5th avenue school and Brashear High School. Upon graduation Sherry went onto Chaney University. She left Chaney to raise her oldest son Tyreece Stribling, and she would eventually give birth to another son Keith Stribling.

In life Sherry was a mother, a sister and a friend. She sacrificed to be a strong mother, she strived to be a great sister and she worked to be a great friend that people could lean on when they needed strength.

She will be remembered for many things by many people but above all she will be remembered for her smile, laugh, jokes, wisdom and her tasty, tasty, Ribs and Sweet Potato Pie.

She leaves to cherish her memory her two sons Tyreece Stribling and his wife Tamika and Keith Stribling, two grandsons Tyreece jr and Austin and two granddaughters Daiona and Tationa. 3 sisters Annie, Ruby and Mary and 2 brothers Billy and Ralph. As well a host of nieces, nephews, cousins and

friends.

Sherry's memory will forever live on in our hearts.

“ *Remembering Sherry fondly. All of us, Sherry, Carmen, Tracey,
Joanne, Jan and many, many others, would meet in the shower
place on Whiteside Road after school and especially in the
summertime and cut up for days. We did so much together like
playing volleyball at Ammons - it was such fun hanging out. I draw
on those memories now to keep me smiling and remembering my
friend. Prayers for family and friends - hugs, Deborah Lewis

“ My condolences, my prayers and my love to the family. I Met Sherry Ann at Cheyney State Coolege in 1979. She was our Mother Hen, always wanted to boss us around. We shared priceless times and moments on the 6th floor of Truth Hall. Sherry was the manager of the women’s basketball team. So many funny memories from basketball practice in Cope Hall. Although time and distance separated us the phone keep us connected. We talked a couple weeks ago and we talked and laughed as we always did. I would call her country (her Pittsburgh accent) and she’d call me country (Detroit accent). So glad our paths crossed and we remained in touch over the past 40 years. God makes no mistakes, we may not understand it right now. In time we will, Joy comes in the morning and we will see her again. Love you my sister, I know you’re in heaven fussing 🙏. Rest easy my friend 🌹🌹🌹
