“ Tom you have touched so many lives and your smile lit up a room. You walked on this earth for such a brief period of time but your imprint will last forever. Heaven has definitely gained an angel and I know you will always be with us. I have so many fond memories working with you at Dukes and I truly believe God places people in our lives for a purpose. your purpose now is no longer here on earth but with your Heavenly father may your Journey with him be more than you ever wished or imagined. Luv you always NikkiXOXOXO.

“ A gentle giant. Tommy had a devilish grin at times but a heart that was innocent and pure. A hug mattered to Tommy; he loved to hug. I think sometimes he would create a bit of turmoil just to have a little hug-fest. You've left a huge hole in our Duke's family but heaven has truly gained an angel. I love you Thomas Walker. I'm glad I got to tell you that often. Keep smiling my friend. Thank you for the memories of those fantastic smiles. We will need them to pull us through this storm. May God bless you and hold you now in his warm embrace.

I've made some great friends working at Dukes and Tommy was one of them. Tommy would always make me smile and when we did fight (over something stupid) by the end of the night we were hugging it out. His smile would light up a room and I'll never forget it or him. Rest in peace my friend and give a big hug to our Duke's family in heaven!
